

# Memorial Day

Monday, May 31, 2010

8 AM until 8 PM

USS Midway Museum Lawn

The San Diego Veterans for Peace will be honoring the fallen from the Iraq & Afghanistan Wars (and all wars) with our Arlington West Memorial.

Please stop by, assist us in placing and later removing our 1000 crosses (and other religious symbols), the 1000 US flags, and the candles at dark.

Take your turn reading the names of the 4400+ killed so far in Iraq and the 1080+ killed so far in Afghanistan.

We encourage you to write your thoughts to President Obama in one of our large memorial books, which we will be mailing to the White House.

Please help us by bringing a bag lunch for the homeless who live near the USS Midway Museum. Many of the homeless there are veterans.

For other information, or to offer assistance, please call "Gil" at 858-342-1964.
